

BIOGRAPHY

The Rocktown Sparks is rocking crowds with a mix of music ranging from vinyl classics to the newest streaming hits. The band formed in 2021 as a group of musicians with a burning desire to express their musical tastes with a group of like-minded players. They span in age from millennials to boomers and deliver a unique blend of raw energy and musical experience unlike anything else across the region.

Their style breathes new life the songs you know and love by the likes of Tom Petty, REO Speedwagon, Peter Gabriel, and more while incorporating the freshness of songs by Dua Lipa and Maneskin. Their style fuses a wide sonic range of keyboards combined with a tasteful combination of electric and acoustic guitars and tight rhythm section. Everyone in the band lends their own vocal style with exciting crowd engagement; ensuring everyone hears something they enjoy.

The Rocktown Sparks is a crowd favorite at many local events including First Thursdays in Hillcrest, fundraisers, private & corporate events. The band has emerged from standout performances at The Arkansas State Fair, Simmons Bank PGA Tournament, and Party at the Plaza in Argenta, growing their fan base ever since.
